

TABE Online—Powered by DRC INSIGHT

Beginning in 2017, TABE® Online will be powered by DRC INSIGHT™, the industry-leading online assessment system already delivering reliable assessments to nearly half of the U.S. With DRC INSIGHT you can add more flexibility and reliability to your testing program, with the same measure of student achievement you have come to know and trust with TABE Online.

TABE Online is an easy-to-use, web-based assessment and reporting system of adult basic education knowledge. It also provides reliable skill-level data for adult educators to screen and place students in training or employment programs, or to determine readiness for success on a high school equivalency test. Simply speaking, TABE Online provides reliable information on your adult students' skills, and enables you to meet their needs more quickly and effectively.

Simplify Test Administration and Reporting

TABE Online saves you valuable time—with automated test administration, scoring, and reporting. The Rapid Registration system with Auto Locator functionality automatically updates student history and assigns the correct level of difficulty for test content areas, ensuring efficient test administration. Robust test reports provide you with reliable information to evaluate student needs and direct instruction, training, or employment decisions.

Coming in 2017: TABE 11&12

- Aligned to Office of Career, Technical, and Adult Education (OCTAE) College and Career Readiness Standards
- DRC INSIGHT platform for student testing
- Administrator portal with improved organization and search functionality
- Improved scanning software and functionality
- Interactive reporting platform

Find out why adult education professionals rely on TABE more than any other adult assessment in the country.

TABE Online is easy to use, and both student data and assessment information are stored securely online—accessible only to authorized users.

The Most Widely-Used Online Adult Basic Skills Assessment Today Efficient for Instructors—Engaging for Students

Engage Student Interest for Accurate Skill Measurement

TABE test takers often find the online testing experience more motivating and less daunting than paper-and-pencil tests. Online testing can help decrease test taker anxiety, leading to performance levels that more accurately reflect their true abilities.

TABE Testlets

To help students practice for their high school equivalency test, TABE Testlets are short, optional tests that can be completed in about 45 minutes. Their innovative item types have been built from the ground up, fully aligned to the College and Career Readiness Standards. TABE Testlets are available to any student who has taken a TABE Online assessment. Best of all, they are completely free and are automatically released into your account.

TABE Technology Helps You Drive for Results

Advanced online technology saves you time so you can focus on your students' needs.

- Evaluate student skills and training needs quickly with feedback
- Support your instructional and training decisions with reliable assessment results
- Ensure a secure, engaging test-taking environment with minimal supervision
- Determine readiness for a high school equivalency test
