

## Prepare for the College and Career Readiness Standards with Free TABE Testlets

The Test of Adult Basic Education (TABE) were developed to measure, in part, the National Reporting System (NRS) Educational Functioning Levels (EFLs). Its 7-year approval ensures that TABE will remain essential to the adult basic education community for years to come.

### How is TABE meeting the demands of the College and Career Readiness Standards?

Data Recognition Corporation | CTB is committed to helping adult educators and students raise the bar for College and Career Readiness. We are excited to announce an innovative test for the TABE family—TABE Testlets.

### What are TABE Testlets?

TABE Testlets are short, optional tests that can be completed in about 45 minutes. Their innovative item types have been field-tested and built from the ground up, fully aligned to the College and Career Readiness Standards. Available to any student who has taken a TABE Online assessment, Testlets can be used effectively as practice for high school equivalency assessments. Best of all, they are free! TABE Testlets are automatically released into your account at no charge.\*

### TABE Testlets consist of high quality items

The TABE family has continued to evolve and develop over the last 50 years. Our content creators are experts in adult assessment and the College and Career Readiness Standards, from elementary through postsecondary levels. TABE Testlets contain field test items created by the industry's best content team, so you can be sure that quality is unsurpassed from the very beginning.

\*Windows® operating systems are currently required, with OSX to follow.

**TABE will remain essential to the adult basic education community for years to come.**

### TABE Testlets reports

- TABE Testlets will report at the domain level, so adult educators will receive insight into a range of College and Career Readiness Standards areas.
- Since College and Career Readiness Standards may consist of more than one activity, some items may be worth more than one point. Scores from TABE Testlets will therefore consist of a “points correct” score.

### High stakes assessment practice

- Are your students preparing for a high school equivalency assessment? If not, TABE Testlets are fantastic practice tools and an easy way to allow students to familiarize themselves with the increased rigor they may expect to see.
- TABE Testlets should be treated as though they are a high stakes assessment in order to get the full benefit of the experience.
- TABE Testlets are not NRS-approved and may not be used to replace TABE 9&10 assessments.

Make your transition to the  
College and Career Readiness Standards easier with TABE Testlets.
